1.6 Where we do not deliver the Hire Equipment and/or Goods and the Customer (or their agent) instead collects the Hire Equipment and/or Goods from us as specified in the Contract Details, references to Delivery shall be read as references to collection by the Customer where the context so permits.

2. BASIS OF SALE/HIRE

2.1 Any quotation given by us shall not constitute an offer and shall only be valid for the period expressed on the quotation provided. If no such period is stated, then a quotation shall only be valid for a period of 20 Business Days from its date of issue.

2.2 The Customer's Order constitutes an offer by the Customer to hire the Hire Equipment, purchase the Goods and/or Services in accordance with these Conditions. The Customer is responsible for ensuring that the terms of the Order are complete and accurate.

2.3 The Order shall only be deemed to be accepted when we accept the Order, at which point and on which date the Contract shall come into existence. Please note that such acceptance is made subject to the Hire Equipment or Goods set out in an Order being made available for hire or purchase and subject to our capacity to provide the Services.

2.4 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing (unless such term is included and set out in the Contract Details).

2.5 From time to time the Customer may require additional Goods, Hire Equipment and/or Services. The Customer may request such additional Goods, Hire Equipment and/or Services from us by submitting an order in accordance with this clause 2. Where a request for additional Goods, Hire Equipment and/or Services is accepted by us, the provision of such Goods, Hire Equipment and/or Services will be provided subject to these Conditions.

3. DELIVERY AND COLLECTION

3.1 Unless otherwise agreed in writing by us, Delivery and Collection shall be made by us but our obligation to perform Delivery or Collection is at all times conditional upon the Customer's obligations in clause 4 (*Access to Site*).

3.2 Delivery and Collection is completed on the respective completion of the unloading or loading of the Hire Equipment and/or Goods at the Site. Risk in the Hire Equipment and/or Goods shall transfer in accordance with clause 12 (*Risk and Damage*).

3.3 The Customer shall procure that a duly authorised representative of the Customer (or the end user of the Hire Equipment) shall be present at the Site for Delivery. Acceptance of Delivery by such representative shall constitute conclusive evidence that the Customer has examined the Hire Equipment and/or Goods and has found it to be in good condition, complete and fit in every way for the purpose for which it is intended. We accept no liability for the placement of the Hire Equipment and/or Goods in accordance with the instructions of the representative.

3.4 If the Customer has no authorised representative present at the Site for Delivery in accordance with clause 3.3, we shall leave the Hire Equipment and/or Goods at the Site and the Hire Equipment and/or Goods shall be deemed accepted by the Customer on the date of Delivery. We accept no liability for the placement of the Hire Equipment and/or Goods in accordance with this clause. Should the Customer request that, following Delivery in accordance with this clause, we move the Hire Equipment and/or Goods to a different location on the Site or to a different Site, we may do so at our discretion but reserve the right to charge additional Transport Charges.

3.5 We shall use reasonable endeavours to effect Delivery by the Delivery Date. However, any Delivery Dates quoted for Delivery are approximate only, and the time of Delivery is not of the essence.

3.6 We shall use reasonable endeavours to effect Collection within 5 Business Days of the Off-Hire Date (or, in the case of Goods, within 5 Business Days of request). However, this time frame is an approximate only, and the time of Collection is not of the essence.

3.7 If, before Delivery, the Customer seeks to amend the Delivery Date or materially amend the location of the Site, we reserve the right (at our absolute discretion) to treat the Contract as terminated in accordance with clause 17.1 (*Termination*). The Customer may then submit a new Order with the amended Delivery Date/Location in accordance with clause 2 (*Basis of Sale/Hire*).

3.8 We may deliver the Hire Equipment and/or Goods by separate instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment, or to terminate the Contract.

3.9 If applicable, connection and disconnection of utility services for use with the Hire Equipment and/or Goods on Site and the suitability of these utility services are the responsibility of the Customer. The Customer shall ensure that any such connection and disconnection is carried out by appropriately qualified persons.

3.10 If we arrive at the Site to effect Delivery and believe the ground to be unsuitable for doing so, the Customer shall supply and construct temporary foundations in a suitable position for loading and unloading and for the Hire Equipment and/or Goods to rest on. The costs of any lifting or special operators required for the siting of the Hire Equipment and/or Goods shall be borne by the Customer.

3.11 Following Delivery and for the duration of the Hire Period, the Customer shall appropriately secure all Hire Equipment so that it cannot be removed or fall over, subject to an event of the type listed in clause 19 (*Force Majeure*).

3.12 We shall not be liable to the Customer for:

3.12.1 any delays in availability or Delivery (whether or not in circumstances where we have accepted responsibility for Delivery) of Hire Equipment and/or Goods caused by matters beyond our control as set out in clause 19 (*Force Majeure*); or

3.12.2 any delays in availability or Delivery which are due to the Customer's acts or

omissions, including the Customer's failure to provide us with adequate delivery instructions or any other instructions that are relevant to the supply of the Hire Equipment and/or Goods.

4. ACCESS TO SITE

- 4.1 The Customer shall be responsible for ensuring that there will be open, free, unrestricted, appropriate, and safe access to the Site (and any Hire Equipment or third-party equipment therein) for performance of Delivery, Collection, the Services and/or the Weekly Toilet Service, or for any other reason for which we attend the Site including pursuant to clause 4.5. The Customer shall ensure at all times that the Site is compliant with all applicable health and safety requirements.
- 4.2 If the Customer breaches clause 4.1:
- 4.2.1 the Customer is solely liable for any damage or loss caused to the Hire Equipment, and/or Goods and any third party's property as a result of the breach;
- 4.2.2 the Customer will still be liable to pay the Charges regardless of whether the Delivery, Collection, Services or Weekly Toilet Service was performed;
- 4.2.3 the Customer shall be liable to pay an additional amount for any further time or attendance to the Site, including any additional Charges arising from any re-attempt by us (at our discretion) to: carry out Delivery or Collection of the Hire Equipment and/or Goods; provide the Services; and/or provide the Weekly Toilet Service; and in the case of a Collection arranged following the receipt of an Off-Hire Notice, the Off-Hire Notice shall be deemed ineffective and the Hire Equipment shall be placed back on hire. Charges will continue to accrue uninterrupted as though the Off-Hire Notice had not been served, until a new Off-Hire Notice is served in accordance with these Conditions.
- 4.3 The Customer shall be solely responsible for any instruction, guidance and/or advice given to our employees or agents and for any damage which occurs as a result of us following the Customer's instructions, guidance and/or advice. We shall not be liable to the Customer or any third party for any damage caused to any property on Site whilst acting under the instruction of the Customer or the Customer's agents or where Delivery is made without instruction in accordance with clause 3.4 (Delivery).
- 4.4 The Customer will be liable to us for parking fines and penalties (whether arising by contract of statute) and any associated costs and expenses that we incur under the Contract by reason of the Site or location of the Hire Equipment, including but without limitation, where we are required to stop in a 'no parking zone'.
- 4.5 The Customer authorises us to enter any land or premises where we reasonably believe any Hire Equipment to be, on reasonable notice, in order to make any necessary inspection, test, repair, service, replacement or repossession of it under these Conditions. The Customer shall make the Hire Equipment available to us during reasonable working hours, for these purposes.
- 4.6 It is the Customer's responsibility to contact us if weather conditions have affected the Site. We will not contact the Customer unless we are unable to attend the Site for any reason, including, but not limited to, adverse weather conditions.

5. QUALITY OF HIRE EQUIPMENT AND GOODS

- 5.1 Where the Hire Equipment consists of portable toilets on long term hire, they are offered in accordance with BS6465 which recommends a ratio of 1 portable toilet to 7 persons. We do not accept liability or claims under the Contract, nor are we obliged to provide the Weekly Toilet Service or the Services, where the Customer does not comply with this ratio.
- 5.2 Notwithstanding clause 5.1, the Customer acknowledges that we are not an events management company and that if we advise the Customer as to the quantity of Hire Equipment and/or Goods and/or Services necessary for an event run by the Customer for which the Hire Equipment, Goods and/or Services are being provided, such advice is given in good faith, without assumption of liability, and providing such advice shall not form part of the Services provided under the Contract.
- 5.3 Save for when we have agreed to provide hot water facilities as part of the Hire Equipment, we will provide cold water facilities only. The Customer should ensure that the Hire Equipment is installed in a position on the Site where hot/warm water is available. We shall not be liable to the Customer for any loss or damage arising from situations in which only cold water facilities are provided and the Customer has not, for any reason whatsoever, complied with its responsibilities in relation to hot/warm water.
- 5.4 We warrant that on Delivery (unless otherwise specified in the Order) the Hire Equipment and/or Goods shall:
- 5.4.1 conform in all material respects with their description. However:
- (a) we reserve the right to provide Hire Equipment and/or Goods that are similar or comparable to that ordered by the Customer;
- (b) all samples, drawings, descriptive matter, specifications or advertising produced by us and any descriptions or illustrations contained in our catalogues or brochures or on our website are produced for the sole purpose of giving an approximate idea of the Hire Equipment and/or Goods referred to in them. They shall not form part of the Contract nor have any contractual force; and
- (c) our employees or agents are not authorised to make any representations concerning the Hire Equipment, Goods, and/or Services unless confirmed in writing and any advice or recommendation given by us to the Customer as to the storage, application or use of Hire Equipment, Goods, or Services which is not confirmed in writing is followed or acted upon entirely at the Customer's own risk;
- 5.4.2 be free from material defects in design, material and workmanship;
- 5.4.3 be of satisfactory quality (within the meaning of the Sale of Goods Act 1979); and
- 5.4.4 be fit for any purpose held out by us. However, we shall only take responsibility for the fitness of the Hire Equipment and/or Goods for the Customer's requirements if the Customer supplies us with full and correct information and we have accepted this, and if the Customer complies with our written recommendations.
- 5.5 For defects that are not apparent on inspection at the time of Delivery (and subject always to clause 5.6), if:
- 5.5.1 the Customer gives notice in writing to us within 7 days of discovery that some or all of the Hire Equipment and/or Goods do not comply with the warranties set out in clause 5.1;
- 5.5.2 we are given a reasonable opportunity to examine such Hire Equipment and/or Goods; and
- 5.5.3 the Customer (if asked to do so by us) returns such Hire Equipment and/or Goods to us at the Customer's cost;
- we shall, at our sole option, repair or replace the defective Hire Equipment and/or Goods as soon as is reasonably practical.
- 5.6 We shall not be liable for the Hire Equipment's and/or Goods' failure to comply with the warranty set out in clause 5.4 if:
- 5.6.1 the Customer makes any further use of such Hire Equipment and/or Goods after such defect has become apparent or been suspected or should reasonably have become apparent to or been suspected by the Customer;
- 5.6.2 the defect arises because the Customer failed to follow our oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Hire Equipment and/or Goods or (if there are none) good trade practice

- 5.6.3 regarding the same;
- 5.6.4 the Customer alters or repairs such Hire Equipment and/or Goods without our written consent;
- 5.6.5 any Charges remain unpaid;
- 5.6.6 the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions; or
- 5.7 the Hire Equipment and/or Goods differ from their description as set out in the Order as a result of changes made to ensure they comply with applicable statutory or regulatory standards in accordance with clause 10 (Local Laws and Regulations). If we repair or replace the Hire Equipment and/or Goods in accordance with clause 5.5, this shall not renew or extend the warranties under clause 5.4 unless otherwise agreed in writing, and these Conditions shall apply to any repaired or replacement Hire Equipment and/or Goods supplied by us.
- 5.8 If, upon repair or replacement of the Hire Equipment and/or Goods in accordance with clause 5.5, we discover that one of the exceptions in clause 5.6 applies, then we reserve the right to retrospectively charge the Customer for the costs of repairs carried out or a replacement being provided.
- 5.9 Except as provided in this clause 5, we shall have no liability to the Customer in respect of the Hire Equipment's and/or Goods' failure to comply with the warranties set out in clause 5.4.

6. HIRE PERIOD

- 6.1 The Hire Equipment shall remain on hire for the Hire Period.
- 6.2 The Hire Period in relation to Consumers, sole traders, partnerships with three or fewer partners and unincorporated associations shall not be for a period in excess of 3 months and the Hire Equipment must be returned to us before the Hire Period expires unless otherwise set out in the Contract Details.
- 6.3 Subject to clause 9.2 (Changes to the Site during the Hire Period or Service Period), the Customer may at any point during the Hire Period serve an Off-Hire Notice, following which we will arrange Collection in accordance with clause 3 (Delivery and Collection), provided that the Hire Equipment must be available and accessible for Collection from the Off-Hire Date in order for the Off-Hire Notice to be effective. The Customer shall not use or allow the Hire Equipment to be used after the Off-Hire Date (and we will be entitled to charge additional Charges for any reasonable expenditure we incur resulting from such unauthorised use).

7. WEEKLY TOILET SERVICE

- 7.1 In circumstances where the Hire Equipment consists of portable chemical toilets and the Charges for the hire of the Hire Equipment accrues on a week-by-week basis, we shall use reasonable endeavours to attend the Site each week during the Hire Period to provide the Weekly Toilet Service for each portable toilet.
- 7.2 The Weekly Toilet Service is a free, no-obligation service and the provision of the Weekly Toilet Service shall not be of the essence of the Contract. We accept no liability for any failure to provide the Weekly Toilet Service and no reduction in Charges due for the hire of Hire Equipment will be offered for any such failure. In particular, the Weekly Toilet Service may not be provided in weeks which contain a bank or statutory holiday.
- 7.3 The Customer may ask us to suspend the provision of the Weekly Toilet Service at any time during the Hire Period by written instruction or telephone.
- 7.4 The Weekly Toilet Service may be explicitly excluded at the point of Order and in these circumstances, we reserve the right to charge additional Charges for providing Services equivalent in nature to the Weekly Toilet Service.
- 7.5 The Weekly Toilet Service may not be provided if:
- 7.5.1 we reasonably believe that the Customer has been misusing the Hire Equipment; or
- 7.5.2 the Hire Equipment has been tipped over or is otherwise in an unusable condition.
- 7.6 The Weekly Toilet Service may be provided at any time between 07:30 and 17:00 on a Business Day, and is always subject to the Customer's obligations in clause 4 (Access to Site) and clause 10 (Local Laws and Regulations). We may, at our discretion, agree to provide the Weekly Toilet Service outside of these hours but additional Charges will be payable.
- 7.7 The Customer shall be responsible for any waste that enters any holding tanks and ownership of any waste will pass to us on collection of that waste.
- 7.8 We will only remove pumpable non-inert waste that is classified under the European Waste Catalogue Code 16 10 02. If any waste other than non-inert waste is deposited into the tank, then we shall only remove such waste after we determined the nature of the waste and confirmed our willingness to remove the waste. Further Charges may apply if we agree to remove the waste.
- 7.9 Once we have collected the waste, we will issue the Customer with a waste transfer note for the Customer to check and sign to indicate that the Customer agrees that we have emptied the waste tank(s) in so far as possible. If the Customer has not ensured a representative of the Customer (or the end user of the Hire Equipment) is present when we collect such waste, the waste transfer notice shall be deemed to have been accepted by the Customer.

8. SUPPLY OF SERVICES

- 8.1 The terms set out in clauses 7.6 to 7.9 will also apply to the Services set out in this clause 8 (Supply of Services) (with reference to the Weekly Toilet Service replaced with reference to 'Services').
- 8.2 We will provide the Services specified in the Contract Details, which could include:
- 8.2.1 **Other Toilet Emptying Services.** These are Services whereby we provide the services equivalent in nature to the Weekly Toilet Service but where Charges apply, as agreed with the Customer in the Contract Details.
- 8.2.2 **Third-Party Chemical Toilet Services.** These are Services whereby we provide services equivalent in nature to the Weekly Toilet Service but in relation to third-party equipment and for which Charges apply. If we are to provide these Services under the Contract, the following additional provisions will apply and shall take precedence over the provisions of clause 7 (Weekly Toilet Service) in the event of any conflict:
- (a) we will attend the Site to carry out the Services each week from the date agreed in the Contract Details until the Customer instructs us to cease doing so by written notice or by telephone (the **Service Period**).
- 8.2.3 **Tanker Services.** These are Services whereby we remove effluent or septic waste from waste holding tank(s) and supply non-drinking water to fresh water flushing welfare units. If we are to provide these Services under the Contract, the following additional provisions will apply and shall take precedence over the provisions of clause 7 (Weekly Toilet Service) in the event of any conflict:
- (a) We will only remove waste that is non-hazardous wet waste that is classified under the European Waste Catalogue Code 16 10 02 or 20 03 04.
- (b) Any cess or sewerage waste that we agree to collect must be pumpable and non-hazardous, and it is the Customer's responsibility to ensure that this is the case. Hazardous waste (other than sewage) is to be sampled prior to collection by us. Charges for the sampling of hazardous waste shall be borne by the Customer.
- (c) If the Customer fails to comply with clauses 8.2.3(a) to 8.2.3(b) above, we may notify the Environment Agency, water authorities or other regulatory bodies accordingly.
- (d) Charges shall be levied per tank emptied, based on 1,000 gallons of waste

	being removed, regardless of whether the actual amount of waste removed is less. If waste is removed from a single tank in excess of 1,000 gallons then Charges will be based on the amount of waste, rounded up to the nearest thousand.		
(e)	Upon performing a final empty of a tank at the Site, the Customer shall ensure that a representative of the Customer (or the end user of the tank) is present at the final empty to confirm that the tank has been emptied in so far as possible, having regard to accessibility and emptying points. The Customer's (or end user's) signature on our documentation shall be conclusive evidence of such confirmation. If such representative is not present, the Service shall be deemed accepted by the Customer. We accept no liability for any residual waste left in the tank after performing the Service. The Customer acknowledges that the equipment should not be used after the final empty has been performed. Further Charges will be levied if the Customer requests that we re-visit the Site to perform a further Service.		
8.3	In relation to all Services:		
8.3.1	we warrant to the Customer that the Services will be provided using reasonable care and skill;		
8.3.2	we reserve the right to amend the Services to comply with any applicable law or regulatory requirement, or if the amendment will not materially affect the nature or quality of the Services;		
8.3.3	we shall use all reasonable endeavours to meet any performance dates specified in the Contract Details, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services; and		
8.3.4	if, before performance of a Service, the Customer seeks to amend the requested date of performance or materially amend the location of the Site, we reserve the right (at our absolute discretion) to treat the Contract as terminated in accordance with clause 17.1 (<i>Termination</i>). The Customer may then submit a new Order in accordance with clause 2 (<i>Basis of Sale/Hire</i>).		
9.	CHANGES TO THE SITE DURING THE HIRE PERIOD OR SERVICE PERIOD		
9.1	For the purposes of this clause 9 the Customer authorises us, if applicable, to take requests for changes to the location of the Site from the end-user of the relevant equipment, as though the request had been made by the Customer directly.		
9.2	Hire Equipment may be moved from the Site by the Customer to another location within the United Kingdom during the Hire Period, subject to our prior written approval.		
9.3	Where such approval has not been given by us, we shall not provide the Weekly Toilet Service or any other Services related to the Hire Equipment, nor will we accept an Off-Hire Notice, until the Customer has notified us in writing of the new location of the Hire Equipment and we have agreed to the relocation. The Customer shall remain liable to pay any applicable Charges relating to any hire of the Hire Equipment.		
9.4	We may not be able to attend the new Site to provide the next scheduled Service or Weekly Toilet Service until the following week.		
9.5	Where the Service is Third-Party Chemical Toilet Services, the Customer may notify us of changes to the Site during the Service Period to another address in the United Kingdom, subject to our written approval.		
9.5.1	Where such approval has not been given, we may terminate the Contract in accordance with clause 17 (<i>Termination</i>).		
9.5.2	Where the notification is received on a day on which the Services were due to be performed, we reserve the right to charge the Customer for the planned visit to the old Site to carry out the Services, notwithstanding our physical attendance to Site.		
9.5.3	We may not be able to attend the new Site to provide the next scheduled Service until the following week.		
10.	LOCAL LAWS AND REGULATIONS		
10.1	We shall ensure that the Hire Equipment, Goods, Services and/or Weekly Toilet Service comply with any applicable laws and regulations in the UK and that any necessary testing is carried out before Delivery. If required by us, the Customer shall provide us with such applicable laws, regulations and rules in writing.		
10.2	We shall carry out additional work necessary to comply with such applicable laws, regulations and rules referred to in clause 10.1 above occurring between the quotation and Delivery. The Customer shall bear the costs of us making such changes.		
10.3	The Customer shall:		
10.3.1	co-operate with us in all matters relating to the Hire Equipment, Goods, Services and/or Weekly Toilet Service;		
10.3.2	comply with all applicable laws, including health and safety laws;		
10.3.3	ensure that any checks, testing (including, but not limited to, PAT testing) and examinations of the Hire Equipment required by employment and health and safety legislation and/or any operating instructions we provide are carried out after Delivery, and be responsible for any liability incurred by us as a result of the Customer's failure to perform such checks and testing after Delivery;		
10.3.4	ensure that all persons using the Hire Equipment or any equipment for which we have delivered water as part of a Service are fully aware that the water we have provided is non-drinking water;		
10.3.5	ensure that users of the Hire Equipment who are young, elderly and/or mentally or physically impaired (whether temporarily through use of substances or permanently) are sufficiently supervised; and		
10.3.6	ensure that all contamination (including but without limitation, needles, sharps and other waste products) is removed from the Hire Equipment before it is returned, collected or serviced by us. In the event that the Customer fails to comply with this provision, the Customer will continue to pay us the Charges until such time as the contamination is removed and the Hire Equipment is returned to us in a clean state.		
11.	TITLE		
11.1	The Hire Equipment shall at all times remain our property, and the Customer shall have no right, title or interest in the Hire Equipment. Unless otherwise agreed in writing, the Customer shall not sell, sub-hire, abandon or otherwise dispose of the Hire Equipment.		
11.2	Legal and beneficial ownership of the Goods will not pass to the Customer until we have received in full, cleared funds: or		
11.2.1	all Charges due in respect of the Goods;		
11.2.2	all other sums which are or which become due to us from the Customer on any account whatsoever; in which case ownership of the Goods will pass at the time of payment of all such sums.		
11.3	In relation to the Hire Equipment for the Hire Period, and until title passes in relation to any Goods, the Customer shall:		
11.3.1	store the Hire Equipment and/or Goods from all other goods or equipment of the Customer in such a way that they remain readily identifiable as our property;		
11.3.2	not destroy, deface, obscure or remove any identifying mark or signage relating to the Hire Equipment and/or Goods; and		
11.3.3	maintain the Hire Equipment and/or Goods in a satisfactory condition and ensure Hire Equipment is properly maintained in accordance with any instructions given by us or statutory regulations.		
12.	RISK AND DAMAGE		
12.1	Risk of damage or loss of the Hire Equipment and/or Goods will pass immediately to the Customer when they leave our physical control or possession.		
12.2	Risk in the Hire Equipment shall remain with the Customer until the Hire Equipment is back in our physical possession and we have notified the Customer that there are no outstanding issues, notwithstanding that this date may be later than the Off-Hire Date. This clause shall apply even if the Contract is terminated or expired in accordance with clause 17 (<i>Termination</i>).		
12.3	The Customer shall:		
12.3.1	take out insurance with a reputable and regulated insurance company in respect of the Hire Equipment against all risks at a full, new for old replacement value by the Customer and our interest shall be noted on the policy. If there is a payment as a result of a claim under such policy then the payment is to be made to us and will be held by the Customer in a separate bank account on trust for us until this occurs. The Customer shall not do or omit to do anything which the Customer has been notified will or may be deemed to invalidate any policy of insurance related to the Hire Equipment;		
12.3.2	take all reasonable, adequate and proper measures to protect the Hire Equipment from theft, vandalism and any other loss or damage including, but not limited to, damage caused by adverse weather conditions such as heavy wind and frost;		
12.3.3	ensure that the Hire Equipment is returned to us in the same condition it was when it was delivered to the Customer or collected by the Customer (except for fair wear and tear) and the Customer acknowledges that it is responsible for any costs incurred in cleaning, repairing or replacing (on a new-for-old basis) the Hire Equipment (including any lost hire fees, revenue or costs of obtaining alternative equipment) if the Hire Equipment is not returned in compliance with this clause;
